**AMENDMENT #1 TO THE GREEN FLEET
SAILING INSTRUCTIONS**

August 4, 2009

This amendment removes the requirement for a red protest flag. Sailors may declare their intent to protest by hailing the word "Protest" and informing the Race Committee.

Sailing Instruction 13.1 is amended as follows:

13.1 A sailor who intends to protest another sailor shall hail the word "Protest" at the first reasonable opportunity. After finishing the race, the sailor shall immediately report his or her intention to protest and the sail number of the protested boat to the Race Committee signal boat. This changes RRS 61.1(a).
